One of the most important matters which came before the board of truswhich came before the board of trus-tees at the meeting yesterday was the election of officers and the election of a member to fill the vacancy caused by the death of T. H. Ellett. The fol-lowing officers were elected; J. T. Ellylowing efficers were elected; J. T. Effy-son, president; A. W. Patterson, vice-, resident; C. H. Ryland, librarian and secretary; B. West Tabb, treasurer and registrar. New trustees elected were Rev. T. Clagett Skinner, of Richmond, and R. S. Barbour, of South Boston, All of the members whose terms ex-pired this year were re-elected. The library committee reported that plans had been made for the removal of the library of 25,000 volumes to Westhampton. The board then adjourned for lunch and reconvened during the afternoon, at which had been made.

cussed the reports which had been made.

During the afternoon session the board directed that an order should be issued causing the razing of the buildings preventing the opening of Grace Street. This means that the chapel and the northern wing of Jeter Hall, as well as the refectory, will be form down during the early summer. The work of grading Grace Street has already been begun. Memorial Hall, Jeter Hall proper, and Science will be allowed to stand and will be used for school purposes next year by the Richmond Academy. A plan is now on foot to sell Jeter Hall to the city for a public library.

school purposes next year by the Richmond Academy. A plan is now on foot to seil deter Hall to the city for a public library.

PACLETY ANNOLNCED

Pritchard, Knapp and Woods in attendance.

The following cases were argued:

Nos. 1273-4-5. Maryland Steel Company, Gustav Lies, Joseph Gleiner and Charles A. Ruby, et al., appellants, vs. Munson Steamship Line, Mayor and City Council of Baltimore, and Maryland Steel Company, et al., appelles, appeals from the District Court at Baltimore. Argued by Charles Markell and Daniel H. Hayne, of Baltimore, for the Maryland Steel Company; Charles S. Haight, of New York, for Munson Steamship Line; Alexander Preaton, of Baltimore, for Mayor and City Council of Baltimore, Thomas F. Cadwalader and James M. Mullen, of Baltimore, for Gustav Lies, et al., and submitted.

HANKRUPTUY CASE

omped over the ground became of the martial forces which were plement the armies of the Concy.

To BE ARGUED TO-DAY Court adjourned until this morning at 10 o'clock. The following cases will be argued to-day:

No. 1285. Levey C. Cox et al., appellants, vs. Maxwell G. Wallace, trunter in bankruptey of Fred Cox, bankthrough the aid of former stuwas kept alive until the gensor of Richmond, and by S. S. P. Patteson and John R. Lightfoot, Jr., of Richmond, for the appellants, and by S. S. P. Patteson and John R. Lightfoot, Jr., of Richmond, for the appellee.

Lightfoot, Jr., of Richmond, for the again in 1868 the college was opened. Further endowments were scurred, and the nacleus of the present library was formed in the gift of a friend.

The struggle for life through which Richmond College went at this period may ably depicted by Dr. Ryland, who related how money was secured and improvements made to course and buildings. He said that President Boatwright was inaugurated in 1895, and that the modern era of the college began at that time. Since that year the enrollment has grown with rapid strides, new buildings have been erected and the entire system has been modernized.

finculties which recently arose in the has notified the Board of Health that yesterday heard the complaints against New York dealing with the Lossing ogy and preventive medicine at the he hopes to which will require all of his time.

recognistics of the year 1913 the number of specimens had increased to 2,906.

State The office was created before the library reorganization of the Health Depart-

reorganization of the Health Department, and was first filled by Dr. E. C. Levy, who is now Chief Health Officer. Designed at first solely for diagnostic tests in tuberculosis diphtheria, typhoid and other diseases, the office has steadily assumed new duties. Among other things it has complete charge to-day of the testing of milk for bacteria, and its thorough work in this field is reflected in the high standard of Richmond's milk supply.

lege of Virginia. As associate pro-fessor of bacteriology and preventive medicine, he will give his entire time to college work. than \$75.

The Richmond, Fredericksburg and Potomac Railroad seeks permission to increase its minimum charge for mov-

making the office of City Bacterlologist a full-time position, with a salary of \$2,000 a year. The passage of this a full-time position, with a salary of \$2,000 a year. The passage of this ordinance, it is believed by the health

training for bacteriological work de-manded by the city. He was very much in favor also of a provision in the proposed ordinance which would enable the authorities to fill the office with a man from out of the city if it was found that proper material was

not available at home.

Mr. Straus is a graduate of Richmond College and received his professonal Conege and received his profes-sional training at the Massachusetts Institute of Technology, at Boston. Ho-was for some time a special student in the Boston Public Health Depart-ment, and has spent several vacation terms in special work at the Univer-sity of Michigan.

Norris Made Chief Dispatcher. Norris Made Chief Dispatcher.

The appointment of T. A. Norris to be chief dispatcher, vice R. C. Watkins, transferred, was announced yesterday by J. H. Witt, superintendent of the Virginia division of the Scaboard Air Line Railway. The promotion of Mr. Norris hecame effective at once.

President Harahan, of the Scaboard, accompanied by several high officials of the line, spent several hours in Richmond yesterday.

Rates for Hauling Private Car-

the negotiations dragged out through two years, until finally, in compliance with an offer from the heirs, the General Assembly in 1514 appropriated \$750 to pay for the care of the manuscripts during the last fifty years and the cost to the Lossing heirs of the nevotiations for their return.

When Dr. Mcliwaine wrote to New York that he was ready to accept the offer of the heirs he was informed by the State's legal representatives, the firm of O'Gorman, Battle & Vandiver, that unexpected dufficulties had arisen, and he was asked to come North for the composition of Richmond's milk supply.

SEEK TO RAISE RATES

ON SPECIAL TRAINS

The State Corporation Commission will grant a hearing to-day on the petition of the Richmond, Fredericks-burg and Potonia Railway Company, and the Norfolk and Western, Railway Company to increase the was engaged in special investigations in diphtheria at the temporary experiment at Detroit to Inquire the Norfolk and Western, and the crack difficulties had arisen, and he was asked to come North for the causes of a threatened diphthat unexpected difficulties had arisen, and he was asked to come North for conference at once.

Dr. McIlwaine left Richmond for New York several days ago, uncertain as to the nature of the obstacles interposed, and doubtful as to the recovery of the manuscripts. From his opti
of the manuscripts. From his opti
late of Virginia Ag associate and the attended diphtheria epidemic in that city.

As at present constituted the office of the office of City Bacteriologist is only a parttime position. Mr. Straus has for some time performed the duties of this office and given part of his time to lecturposed, and doubtful as to the recovery of the manuscripts. From his opti-

to college work.

There is pending at present before the Finance Committee an ordinance recommended by the Board of Health, making the office of City Bacteriologist making the position, with a salary of the control o

ordinance, it is believed by the health authorities, has become absolutely necessary because of the difficulty of securing and holding competent bacteriologists under the present arrangement.

SAYS OFFICE SHOULD

HAVE MAN'S WHOLE TIME

Mr. Straus yesterday gave his unqualified approval to the plan to make the office a full-time position. Until it is done, he said, the Board of Health will find it difficult to fill the office with a man who has had the proper training for bacteriological work de-

Writ of Error.

The State Supreme Court of Appeala granted yesterday a writ of error and supersedeas in the case of G. T. Duggins et als, against I. R. Woodson et als, brought up on appeal from the Circuit Court of Goochland County The litigation grew out of the division of the estate of John W. Ford, The bond for the appeal was fixed at \$190.
